Our Mission

The Center for Evidence-Based Practices at Case Western Reserve University is a technical-assistance organization that promotes knowledge development and the implementation of evidence-based practices (EBPs) for the treatment and recovery of people diagnosed with mental illness or co-occurring mental illness and substance use disorders.

Our technical-assistance services include the following:
- Service-systems consultation
- Program consultation
- Clinical consultation
- Training and education
- Program evaluation (fidelity & outcomes)
- Professional peer-networks
- Research
