ROSC 101
A Framework for Behavioral Health Integration

Questions for Self Reflection

1. What excites you about moving in this direction?

2. What concerns you?

3. What strengths already exist in your system or community that you can leverage? What’s already going well? What would you like to see more of?

4. Although there are many ways in which Mental Health and Substance Use Disorders treatment can change to become more recovery-oriented, which resonated with you the most? Integrating peer support services, global assessments, continuing support services, person centered planning, increasing access to services, etc.? What is most critical right now for your community?
5. Were any new ideas generated for you as a result of the presentation and our discussion?

6. If a miracle happened overnight and the entire service system was transformed in your community to be more recovery-oriented, what would that look like from your perspective?

7. From your perspective how does this presentation and/or ROSC align with Ohio's *Recovery is Beautiful* Blueprint? And are there any misalignments or necessary adjustments needed?

8. Do you see the value of establishing and supporting Recovery Community Organizations in your counties? What role would they have and benefits to your ROSC?

9. What’s one thing you can do differently as a result of this presentation and discussion?
