Too Many Bodies in Ohio Morgue, so Coroner Gets Death Trailer

Cleveland files lawsuit against drug companies over opioid epidemic

Coroner: Centerville pilot, wife died from overdose

Ohio officer needed 4 doses of naloxone after being exposed to fentanyl

No cure yet: Prescription opiate overdoses drop in Ohio, but public health officials warn epidemic is evolving
Understanding the impact of the Opiate Epidemic on Law Enforcement/First Responders:

WHOEVER SAID BEING A COP IS STRESSFUL?

I'M 39 AND I FEEL GREAT!
Relationship Status: It was complicated.......
Establishing working relationships with Law Enforcement, BH Providers, and MCO’s:

STOP!

COLLABORATE AND LISTEN
Transforming Police Departments/First Responder Sites into access points for linkage with treatment services:
Dave P.: A Safe Passages story

• Dave entered Safe Passages in November 2016
• He was struggling and did not know where to turn for help
• Dave was placed in a long-term treatment setting within 48 hours
• Through this facility, he was able to access:
  • Individual counseling
  • Group counseling
  • Peer support
  • AA and 12 step support group meetings
